

# Office of the City Clerk

Weekly Report – for Week Ending October 20, 2017

## OFFICE OF THE CITY CLERK – PROJECT HIGHLIGHTS AND STATUS

### Elections

Voter outreach and registration drives held at the following events:

- Naturalization Ceremony held at the LA Convention Center on October 17
- A Students' Think S.T.E.M Expo on October 19 in Council District 9
- The 8<sup>th</sup> Annual Festival for Skid Row Artists on October 21 in Council District 14
- The Breast Cancer Run/Walk on October 21 in Council District 9
- The Los Angeles Italian Festival on October 22 in Council District 2

Clerk and DONE/EmpowerLA met October 18 to discuss convening an NC working group to develop online and at-poll voting process improvements and draft a report on how to improve the NC Election Challenge process. This report is due to the Health, Education, and Neighborhood Council Committee in early December 2017.

### Business Improvement Districts (BIDs)

The Figueroa Corridor BID (2018-2027) was renewed this week.

On October 16, staff met with the consultants for the Byzantine Latino Quarter-Pico and Fashion District BIDs regarding their renewals for 2019.

The Annual Public Meeting for the Los Feliz merchant-based BID was held on October 16.

### Records Management

A researcher investigated claims against the City from the 1950s.

The Division hosted a delegation of 23 visiting archivists from the National Archives of the People's Republic of China.

This Saturday the City Archives will staff a table at the 12<sup>th</sup> annual *Los Angeles Archives Bazaar* at the Doheny Memorial Library at USC on Saturday, October 21. The Bazaar features a host of archives, libraries, and historical societies dedicated to the study and preservation of Los Angeles history, plus presentations and panel discussions. For more information visit <http://laassubject.org/archives-bazaar>.

### Systems

Staff demonstrated a new electronic signing feature of the ordinance system to the Mayor's staff. The new feature will provide the Mayor the flexibility to approve and E-sign multiple ordinances with just a few mouse clicks. This feature is compatible on all platforms including tablets and mobile devices.

Staff modified the Neighborhood Council Funding Program to be compatible with the Apple Safari browser. Prior to this, the City only supported Windows compatible browsers.
